BOIL WATER NOTICE LIFTED

ESTE INFORME CONTIENE INFORMACIÓN MUY IMPORTANTE SOBRE SU AGUA POTABLE.

TRADÚZCALO O HABLE CON ALGUIEN QUE LO ENTIENDA BIEN

The Boil Water Notice issued for select customers on Monday, May 7, 2018 has been lifted effective today, Wednesday, May 9, 2018, for the Eagle Rock Water System.

What happened? What is being done? When will the problem be corrected?

Chlorine disinfection dropped below the state-required minimum level. The disinfection system issue has been resolved. Two sets of samples were collected from the distribution system on Monday, May 7 and Tuesday, May 8 and tested for total coliform bacteria. Results from both sets of samples were absent of total coliform bacteria on Wednesday, May 9, 2018.

It is no longer necessary to use boiled water or bottled water for drinking, making ice, brushing teeth, washing dishes and food preparation.

Aqua is committed to providing quality water and service to its customers. We apologize for the inconvenience and thank you for your patience. Although this matter has been resolved, if you have any questions or concerns, please contact Aqua's Customer Service at 877.987.2782.

Please share this information with all the other people who drink this water, especially those who may not have received this notice directly (for example, people in apartments, nursing homes, schools, and businesses). You can do this by posting this notice in a public place or distributing copies by hand or mail.
